

**Order Information Sheet for Instructional Materials
IPC-A-610 Revision D
Training and Certification/Recertification Program**

Prices are subject to change.

Request formal quotes from orderipc@ipc.org; shipping charges are additional.

Contact IPC Customer Service 847-597-2862 or fax 847-615-7114

Please include both **PRODUCT NAME** and **INVENTORY CODE** to reduce possibility of error.

Only Certified IPC Trainers and the companies they represent may purchase IPC program instructor materials to train Application Specialists. Purchase orders and requests for quotes must include the name of the trainer that will be using the material.

Only IPC Master Instructors at Licensed IPC Training Centers may purchase CIT certificates or materials to train CITs. **These items are in BLUE in the tables that follow.** If an item isn't listed it isn't currently available; e.g. some MIT cert or recert materials.

The CIS training materials are required to be provided to CITs that successfully complete the classroom or challenge testing courses. The same CIS training and testing materials are used to **CERTIFY** and **RECERTIFY** application specialists to IPC-A-610D.
